RYANTECH ELECTRONS TRADING is a 100% black youth owned, level 1 BEE rating company that provides professional electronics installation and maintenance services. The company was established by the highly skilled and qualified Mr T.M Ngwenya with intentions to set an outstanding trend in supplying efficient, professional and quality services to private and public clients.

Each client we work with is treated with a high standard of excellence and attention to detail. Through our professionalism, affordable services and experienced staff, we aim to be the number one electronics installation service provider in Eastern Cape and South Africa as a whole. We are readily and timely available to provide you with our professional services and products to enable you meet your needs.

RYANTECH ELECTRONS TRADING is a capable and dedicated multi-electrons installation service provider with the correct solution-based approach in meeting and exceeding our client's expectations.

With your business, our consistent growth will be testament not only to our ongoing expansion, but a focus on investing in our people and customers, while delivering a fine balance between sustainable business and communities.

"Not every friend request is a friend request some are just surveillance cameras but we are free to feel that we are under cctv surveillance"

VISION

To be recognised for excellence in customer care and contribute to a more sustainable system.

MISSION
